

Cookie Policy

Effective Date: August 9, 2024

This Cookie Policy explains how 7000 RPM Leadership Institute and Gooden & Gooden Consulting may use cookies and similar technologies on our website, linked Member Portal, forms, booking tools, payment tools, analytics tools, embedded content, and related services.

This policy is intended to be clear and practical. It is not legal advice and should be reviewed by qualified legal counsel before publication.

What Cookies Are

Cookies are small files stored on your device when you visit a website. Similar technologies may include pixels, tags, local storage, session storage, and analytics identifiers.

These technologies help websites remember information, operate securely, understand how visitors use pages, support account login, and improve performance.

How We May Use Cookies

We may use cookies and similar technologies for:

- Website functionality
- Security and fraud prevention
- Login sessions for the Member Portal

- Account access and authentication
- Remembering preferences
- Forms and scheduling workflows
- Payment and checkout support
- Analytics and site performance
- Embedded media or third-party content
- Marketing or communication tools, where used

Types of Cookies

Essential Cookies

These cookies help the website, Member Portal, forms, bookings, checkout, security tools, and login features work properly. Some services may not function without them.

Performance and Analytics Cookies

These cookies help us understand how visitors use the website, such as which pages are viewed, how users navigate, and whether pages are working properly.

Functional Cookies

These cookies may remember preferences or improve the user experience across visits.

Marketing or Third-Party Cookies

If we use marketing, embedded media, social media, advertising, or third-party tools, those services may place their own cookies or similar technologies.

Member Portal Cookies

The linked Member Portal may use cookies or similar technologies for login sessions, account security, authorized access, program workflows, assessments, preferences, analytics, and support. Because the Member Portal may rely on a third-party platform, that platform may use its own cookies and related technologies.

Third-Party Services

Cookies may be set by third-party providers that support our website or services, such as:

- Website platform providers
- Member Portal platform providers
- Analytics providers
- Form providers
- Scheduling tools
- Payment processors

- Email and communication tools
- Embedded media or social platforms

We do not control all third-party cookies. Please review the policies and settings of those providers for more information.

Managing Cookies

You can usually control cookies through your browser settings. Depending on your browser or device, you may be able to block cookies, delete cookies, or receive alerts before cookies are stored.

If you block or delete cookies, some website features, booking tools, forms, payment flows, or Member Portal login features may not work correctly.

Cookie Consent Tools

If the website displays a cookie banner or consent tool, you may use that tool to manage available cookie preferences where supported.

Updates to This Policy

We may update this Cookie Policy from time to time. The updated version will be posted on this page with a revised effective date.

Contact

For questions about this Cookie Policy, please contact us through the official contact page on our website or by using the contact information provided on the site.
