

Leadership Formation Reflection Journal

Purpose

Leadership formation requires reflection and evaluation. This journal guides leaders through regular self-examination.

Weekly Reflection Questions

1. What leadership decision this week required the greatest wisdom?

2. How did I demonstrate responsibility in my leadership?

3. What relationships did I strengthen or weaken?

4. What lessons did I learn from challenges?

5. What leadership growth should I pursue next week?

Leaders who reflect regularly develop greater clarity and endurance.
